Subject: RE: precast yard

Region 9 is not available to meet because everyone went to lunch after the New Starts call and they have another meeting. However, I was able to talk to Ed and Ray. They want to recommend to Peter that we make RTD do an evaluation of the site that Kiewit advertised because that's "based on facts" whereas we don't know if there will be other pre-cast yards needed beyond this one site. I am ok with this approach. I hope that we can talk in the morning about this before I draft the summary for Peter so I can get your thoughts.

Thanks,
Robyn

Per the discussion of the precast yard for the New Starts call. I would be available to talk this afternoon or tomorrow morning. I have emailed back Faith to request that she sends information on the precast yard today so that we would be able to review it tomorrow. My impression is that it is likely not going to be able to tell us anything new.

Hi Liz -

I had hoped to send it last Thursday, but got delayed. I intend to get it to you by tomorrow morning.

Sorry.

Faith

Hello Faith,

I hope you had a nice weekend. Last week, we discussed a table that you and others were working on for the precast yard and you indicated that you would be sending it to me soon. I have not received it. Will it be ready to send today or tomorrow?

Thanks!

Liz
